To:

All the ALMM enlisted Solar PV Manufacturers

Subject: On-boarding of Solar PV Manufacturers on DCR Verification Portal reg.

Sir / Madam,

An online portal has been developed by Solar PV Manufacturing associations in consultation with Ministry of New & Renewable Energy (MNRE). The objective of the portal is to ensure the traceability of domestically manufactured solar PV cells and modules and help in verification of Domestic Content Requirement (DCR) in solar PV modules deployed in the country. The portal has been hosted on the website of National Institute of Solar Energy (NISE) and can be accessed through the following link: <https://solardcrportal.nise.res.in/>

2. The aforesaid portal has the facility of DCR verification through entry of unique Serial No. affixed to the solar PV module. The aforesaid portal shall be used by MNRE for DCR verification in projects under MNRE's schemes which mandate DCR.

3. Accordingly, all the ALMM enlisted solar PV manufacturers are hereby requested to register their solar PV manufacturing facilities on the said portal and start feeding the requisite data in it, as in future, the aforesaid portal shall be the exclusive mechanism for verification of DCR and in case any solar PV module which has been claimed by the manufacturer to be DCR compliant, fails in DCR verification through this portal, the concerned manufacturer may have to face actions as listed in MNRE's O.M. No. 283/5/2018-GRID SOLAR dated 16.10.2023.

Thanking you,

Yours faithfully,

(Sanjay G. Karndhar)

Scientist-E
